

## Appointments of International Feltmakers Association President

It is with the greatest of pleasure that we announce, at the 2017 AGM, the newly appointed President of the iFA - **Sheila Smith** from Yorkshire, UK. Sheila has been a member almost since the beginning of the formation of the Feltmakers Association and brings with her many years of felt making and teaching experience. Until recently, Sheila was also the co-ordinator and mentor for the IFA Cift and many of our members have had the good luck to be taught by Sheila over the years.

The appointment of a president, after the death of Mary Burkett OBE, our original and only previous president, was agreed by our members and Sheila was the unanimous choice. The role will be an honorary one and is for three years, and can be extended.

We, the members and committee, would like to extend Sheila our congratulations and our wholehearted support.
