

**Invitation for Proposals for Video Presentations for  
The International Feltmakers Association Virtual  
AGM,  
Saturday March 27<sup>th</sup> and Sunday 28<sup>th</sup> 2021.**

The AGMs and Conferences are the highlight of the year for IFA members, allowing them to network and join together to make and chat about felt. The 2020 AGM had to be cancelled due to the Coronavirus Pandemic and the 2021 has suffered the same fate. Our members are missing the personal contact and social activity of making felt together. Therefore, the aim of the Virtual AGM and Conference is to encourage and motivate our membership with the theme, ReConnect. We can reach all our members with a virtual event, so we would like to treat them to a series of inspirational videos created especially for them.

These videos can be in the form of a:

- Workshop
- Demonstration
- Talk on work, techniques and inspirations

There will be a live introduction, Q&A session and talk from the selected feltmakers on the morning of Saturday March 27th (UK time). The videos themselves will then be available for all members to view at their leisure on our YouTube channel.

Please submit short proposals to include:

- An outline of the content and length of your video. This must be new content not previously available.
- An explanation of how your video relates to the theme ReConnect.
- Examples of previously recorded online content.
- Your fee.

Applications should be submitted to Heather Potten at [communications@feltmakers.com](mailto:communications@feltmakers.com) by November 30<sup>th</sup> 2020. All applicants will be informed if they have been successful or not by December 15<sup>th</sup> 2020.

If you would like to discuss your proposal in advance of the deadline, feel free to contact Heather by email.
